Shogo Seki

Address	7-3-1 Hongo, Bunkyo-ku, Tokyo, 221-0014, Japan, Science bldg. 7, room 302	**Mobile Phone**	+81-90-3989-0916
		Email	sseki@is.s.u-tokyo.ac.jp
		Website	`https://shogo-seki.github.io`

Research Interest

I'm interested in Computer Graphics and Interactive System which are associated to creative work.

Publication

- Shogo Seki and Takeo Igarashi. 2017. Sketch-Based 3D Hair Posing by Contour Drawings. In Proceedings of SCA '17, Los Angeles, CA, USA, July 28-30, 2017, 2 pages DOI: 10.1145/3099564.3106638

Education

2017 - Present M.S. student in Computer Science - The University of Tokyo
Advisor: Takeo Igarashi

2013 - 2016 B.S. in Information Science - The University of Tokyo
Advisor: Takeo Igarashi

Work Experience

Sep 2016 - Present Tokushu Denshi Kairo Inc.
FPGA Engineer Internship

Tokushu Denshi Kairo Inc. is a company which develops FPGA evaluation boards for scientific measuring equipments. I am working as a FPGA engineer, especially focus on developing hardware protocol stacks in VHDL on fast serial protocols such as Ethernet, PCI-Express and SATA.

July 2014 - Sep 2016 UNIPRO Inc.
Software Engineer

I developed server side APIs for smartphone apps in UNIPRO Inc, which is a Japanese company providing web/smartphone apps.

Skills

- **Programming Languages:** C++, VHDL, Verilog, PHP, JavaScript, Rust, ...
- **Others:** Maya (plugin development), Git, ...

Language Skills

- **Japanese:** Native
- **English:** Intermediate
